

GOD LOVES ME, HE CARES FOR ME

We are praying for children with skin infections. If you know one, please pray with them, too.

Psalm 139

- ◆ God knows me. He knows everything I do. He knows my thoughts.
- ◆ He protects me with His power. Even in foreign land, away from home, God will be there to help me.
- ◆ He will always be there to guide me in the way of salvation.

God Wants Me To:

- ◆ Listen actively and obey Him always
- ◆ Be healthy and physically fit
- ◆ Be happy with friends
- ◆ Grow in knowledge and physical strength
- ◆ Work hard and love others

God Wants Me to Live Healthy:

- ◆ Wash body and mouth always
- ◆ Wash clothes always
- ◆ Keep house and compound clean
- ◆ Wash hands after toilet
- ◆ Wash hands before eating
- ◆ Always boil water for drinking
- ◆ Avoid anything that attracts flies

Keep the Environment Clean:

- ◆ Put rubbish in a garbage bin.
- ◆ We can use decaying garbage for manure
- ◆ Non-decaying garbage can kill fertile soil. Keep it for collection. If not collected, burn it in a safe place.
